Love's not easy, love's not blind
It grows inside of me
Give your love now to another
Turn away from me

Love's not easy, love's unkind
Taken now from me
Just take a moment,
look at me now
Open up and see

Chorus
Here I am, I wait for you
Let my love shine down on you
Let my world surround you
Let me love you now

Life's not easy, life's unkind
Living on so free
Lonely days and lonely nights
Give your love to me

Waiting for a simple wish
If only you could see
Just take a moment and
look at me now
Open up and see

Chorus

Love so patient, does not die
Given time and will
Know that I am, I'm here for you
Heart is beating still

No lonely days now,
no lonely nights
Give your love to me
Just take a moment
look at me now
Open up and see

Chorus
