"Wasting Time"

When explanations make no sense
When ev'ry answer's wrong
You're fighting with lost confidence
All expectations gone
The time has come to make or break
Move on, don't hesitate
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out

When situations never change
Tomorrow looks unsure
Don't leave your destiny to chance
What are you waiting for
The time has come to make or break
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out

Some people stop at nothing
If you're searching for something
Lay down the law
Shout out for more
Break out and shout
Day in day out
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out

Don't stop to ask
Now you've found a break to make at last
You've got to find a way
Say what you want to say
Break out
