Smiling in the sunlight  
Singing on the breeze  
Watching from the stars

Faithfully revealing  
Who You are to me  
I never have to wonder  
Where You are

You are the ground beneath my feet  
You are the air I breathe  
You are the sound of harmonies  
You are the light I see

Reaching out to me  
In a thousand different ways  
Lord, You come to my senses  
Every day

I've tasted of Your goodness  
I've heard You call my name  
I've felt Your hand in mine

The fragrance of Your presence  
Reminds me every day  
That You promised to be with me  
All the time

You are the ground beneath my feet  
You are the air I breathe  
You are the sound of harmonies  
You are the light I see

Reaching out to me  
In a thousand different ways  
Lord, You come to my senses  
Every day

You are the ground beneath my feet  
You are the air I breathe  
You are the sound of harmonies  
You are the light I see

Reaching out to me  
In a thousand different ways  
Lord, You come to my senses  
And it brings me to my senses

Lord, You come to my senses  
Every day
