Watch out! Oh girls you know we've got to
Watch out! Girls you know we've got to

Watch out here comes that playboy
Watch out here comes that playboy
Watch out here comes that playboy

Playboy get away from my door
I heard about the lovers you had before
You took their love for a game of joy Oh yeah
And tossed their hearts around as if it was a toy
Playboy

Well, Playboy find yourself another toy
Cause this is one heart you won't destroy
Cause I can't stand for what you're puttin down
Fooling around with every girl in town
Playboy

Well, you ain't saying nothing in my book
Cause this is one fish you'll never ever hook
You left the others standing with their hearts in pain
And now you're coming round trying to do me the
same

So Playboy I've seen your kind
Winning every girl with that same old line
So Playboy stay away from my door
I know about the lovers you had before
Playboy

Whoa you know you've got to
Watch out here comes that Playboy
Yes you know you've got to
Watch out here comes that Playboy
Oh you've got to
Watch out here comes that Playboy
You better, watch out you better, watch out

Repeat-3rd verse

Repeat-4th verse

So Playboy I've seen your kind
Winning every girl with that same old line
So Playboy stay away from my door
I know about the lovers you had before
Playboy

Whoa you know you better
Watch out here comes that Playboy
Watch out here comes that Playboy
Watch out for de Playboy
He's bringing you false joy

Watch out here comes that Playboy
Watch out here comes that Playboy
