Listen here, girls  
Take this advice, and remember always in life:

Into each heart some tears must fall  
Though you love and lose, you must stand tall  
'Cause we all got to cry sometimes  
I said, sigh sometimes  
Pull yourself together  
No use crying forever  
Because there's too many fish in the sea  
Too many fish in the sea  
I said, there's short ones, tall ones, fine ones, kind  
ones  
Too many fish in the sea

My mother once told me something  
And every word is true  
Don't waste your time on a fella  
Who doesn't love you  
He'll only mislead you  
Only grieve you  
Don't worry about him  
Do without him  
Because there's too many fish in the sea  
Too many fish in the sea  
I said, there's short ones, tall ones, fine ones, kind  
ones  
Too many fish in the sea

Well, if the fish isn't on your line  
Bait your hook and keep on trying  
Don't let him get you down  
There's other boys around  
Because there's too many fish in the sea  
Too many fish in the sea  
I said, there's short ones, tall ones, fine ones, kind  
ones  
Too many fish in the sea

I don't want nobody that don't want me  
'Cause there's too many fish in the sea

Ain't gonna love nobody that don't love me, now  
'Cause there's too many fish in the sea  
I don't need nobody that don't need me  
'Cause there's too many fish in the sea  
I don't want nobody that don't love me, now  
'Cause there's too many fish in the sea
