Kalana:

You're the kinda friend who always bends when
I'm broken remember when you took my heart
and put it back together again

Tamisha: (Chorus)

There is no one else that I can say this to
And there is no one better than to talk to
You if you have a problem I'll be here for you
Girl you always that it's us against the world

Kalana:

Cause I've been waiting all my life for a best friend
Just like you cause you're the Ultimate you

Tamisha:

I met some one the other night someone
I really started to like how I will know if he's right for me
I wonder if we meant to be

Kalana:

Don't start to like him too much it's too
soooooooooooooooooooooon

Tamisha: (Chorus)

There is no one else that I can say this to
And there is no one better than to talk to
You if you have a problem I'll be here for you
Girl you always that it's us against the world

Kalana:

You're the kinda friend who sends shivers up
And down my spine and some time you blow
My mind every thing I need is right in front
For me cause you're the Ultimate

Tamisha:

You know that boy I started to see he thinks he
Could have me all for free I wonder if he's the
One for me I tried to talk to myself to see if he's really
the one for

Kalana:

When ever you're near there is no fear it feels like
There nothing I can do you make me feel strong
Cause it's hear with you that I belong
ooooooooooooong

Tamisha:

There is no one else that I can say this to
And there is no one better than to talk to
You if you have a problem I'll be hear for you
Girl you always that

Kalana and Tamisha:

I've been waiting all my life for a best friend
Just like you cause your it you're the Ultimate you
