You can see me when you bring me my guitar
You need to step away from me I can't be next to
You I need to have my own space Just PLEASE
Bring me my guitar or do you want me to get mad
PLEASE don't make me get up and get my-my gui-----tar

You can see me when you bring me my guitar
I need it now how do you aspect me to write my songs
Don't stay to close to me PLEASE I need my own space
Just bring it PLEASE

You can see me we you bring me my guitar.
Thank you for
Bringing me it just don't stay to close to
me. I need my
Space
Thank you
