"A Better Way"

We spent the night in a hobo town like a pair of
runaways
We lit a fire and sang the songs we learned from
yesterday
Settled down and built a house with our own sweatin'
hands
What happened next, I'll never know or never
understand

Finished with my working day and headed straight for
home
I looked inside the bedroom door and you were not
alone

Well, I hope you find a better way to get through my
front door
The roads you take don't let you see I don't love you
anymore
And if you find a broken heart somewhere along the
way
Don't you dare pick it up, it'll mend itself someday

You thought my life was over now, well, honey, you
thought wrong
I found myself someone to love, who'll love me all night
long
All the things you left behind, I threw them all away
You never cared enough about the things I had to say

Well, I hope you find a better way to get through my
front door
The roads you take don't let you see I don't love you
anymore
And if you find a broken heart somewhere along the
way
Don't you dare pick it up, it'll mend itself someday

Well, I hope you find a better way to get through my
front door
The roads you take don't let you see I don't love you
anymore
And if you find a broken heart somewhere along the

way

Don't you dare pick it up, it'll mend itself someday
