(Bruce Springsteen)

I got a dollar in my pocket  
there ain't a cloud up above  
I got a picture in my locket  
that says, baby I love you  
well if you didn't look then boys  
the fellas don't go lookin' now  
well here she comes a-walkin'  
all that heaven will allow  
say hey there mister bouncer  
now all I wanna do is dance  
but I swear I left my wallet  
back home in my working pants  
c'mon Slim, slip me in man  
I'll make it up to you somehow  
I can't be late, I got a date  
with all that heaven will allow  
rain and storm and dark skies  
well now they don't mean a thing  
if you got a girl that loves you  
and who wants to wear your ring  
so c'mon mister trouble  
we'll make it through you somehow  
we'll fill this house with all the love  
all that heaven will allow  
rain and storm and dark skies  
well now they don't mean a thing  
if you got a girl that loves you  
and who wants to wear your ring  
so c'mon mister trouble  
we'll make it through you somehow  
we'll fill this house with all the love  
all that heaven will allow  
now some may die young man  
young and gloriously  
get it straight now mister  
hey buddy, that ain't me  
'cause I got something on my mind, yeah  
that sets me straight and walkin' proud  
and I want all the time  
all that heaven will allow  
and I want all the time

all that heaven will allow
