In the years that knew her I thought I told her so many
times
Just how much I have loved her I couldn't even say
goodbye
She sleeps in her own darkened bedroom tryin' to wake
her up on Sunday night
An empty stare and a handshake then she closed her
eyes to die
I wish I had talked to her I wish I had walked with her
Oh Lord how I'm missing her all I have to do is cry
[ac.guitar]
Now I found myself trying to relive all the days gone by
I've done wrong now I'm paying for another lonely life
I wish I had talked to her...
[harmonica]
I wish I had talked to her...

Why couldn't I ever show her all the things that she
longed to see
It's too late now it's all over there's nothin' left for me to
be
