Fool no.1 is what I've been known to be
But only for you, my love
Still so in love and you make believe
You don't know me

Now I'm crying and I'm dying to know is it so
And every night I hope and pray
Maybe somehow, maybe someday

That when you come around to the lonely side of town
I'll still be waiting here
I am your Fool no.1

I've made mistakes you say you will never ever forgive
If only you would, my love
There'll come a time when you will be lonely too

You'll be wondering and you'll be wanting to know
where did I go
And every night you'll hope and pray
Maybe somehow, maybe someday

That when you come around to the lonely side of town
I will be waiting here
I am your Fool no.1

You'll be wondering and you'll be wanting to know
where did I go
And every night you'll hope and pray
Maybe somehow, maybe someday

That when you come around to the lonely, lonely side
of town
I'll still be waiting here
I am your Fool no.1

You know I'll be waiting here
I'll be your Fool no.1
