Foolish heart, you made me weep
Foolish heart, I'm yours to keep
You're the one that's still with me
Foolish heart, don't set me free

There was a time when you said to me
"Don't fall in love so easily"
But then she walked in and right away
You never had another thing to say

Foolish heart, you made me weep
Foolish heart, I'm yours to keep
You're the one that's still with me
Foolish heart, don't set me free

She went away and now we're alone
I asked her to stay but she had to go
She's made up her mind that I'm just a fool
My love is blind and it's all because of you

Foolish heart, you made me weep
Foolish heart, I'm yours to keep
You're the one that's still with me
Foolish heart, don't set me free
Foolish heart, don't set me free
