In the midnight moonlight hour  
He's walking along that lonely mile  
And everytime I do  
I keep seeing this picture of you

Here comes my baby, here she comes now  
And it comes as no surprise to me with another guy  
Here comes my baby, here she comes now  
Walkin' with a love, with a love that's oh so fine  
Never to be mine, no matter how I try

You'll never walk alone  
And you're forever talkin' on the phone  
And I try to call your name  
But everytime it comes out the same

Here comes my baby, here she comes now  
And it comes as no surprise to me with another guy  
Well here comes my baby, here she comes now  
Walkin' with a love, with a love that's oh so fine  
Never to be mine, no matter how I try

Here comes my baby, here she comes now  
And it comes as no surprise to me with another guy  
Well here comes my baby, here she comes now  
Walkin' with a love, with a love that's oh so fine  
Never to be mine, no matter how I try
