You wouldn't walk away so proud and tall
If you knew it, how I wanted you at all

I can't hide it anymore because it's true
(Ahh)
Hmm, if you only knew who's in love with you

Well I dream about you every night and day
And all the sweet things that I'd like to say

But darlin' you don't even have a clue
(Ahh)
Hmm, if you only knew who's in love with you

It feels like my heart skips a beat
Whenever you are near
And everytime you walk away
Well I wish that you were here

Well I know that there's a lot of other guys
Who will promise you the world with all their lies

But I'm the only one who's feelin' blue
(Ahh)
If you only knew who's in love with you
Oh alright

It feels like my heart skips a beat
Whenever you are near
And everytime you walk away
Well I wish that you were here

Well I know that there's a lot of other guys
Who will promise you the world with all their lies

But I'm the only one who's feelin' blue
(Ahh)
Hmm, if you only knew who's in love with you

But I'm the only one who's feelin' blue
(Ahh)
If you only knew who's in love with you

Hmm, if you only knew who's in love with you
And if you only knew who's in love with you
