Lies - all I ever hear is lies.
Tears - they start fallin' when you make me cry.
You - found a way to cast your spell on me.
I - will be the fool that I will always be.

Time - you'd think with time I'd learn a thing or two
But it's time to face the truth
I believe in all your lies.

(Musical interlude)

Love - Pretend you're lovin' me tonight
Wrong - it may be wrong but maybe that's alright

Time - you'd think with time I'd learn a thing or two
But it's time to face the truth
I believe in all your lies.

Time - you'd think with time I'd learn a thing or two
But it's time to face the truth
I believe in all your lies.
I believe in all your lies.
I believe in all your lies.
I believe in all your lies.
