Someone should tell her how much I love her
Before she goes and runs away with him
If you should see her tell her I need her
Maybe then she'll come back to me

Ever since I broke her heart
She won't talk to me
All I need is a one last chance
To make up and say I'm sorry

Someone should tell her how much I love her
Before she goes and runs away with him
If you should see her tell her I need her
Maybe then she'll come back to me

I've never been the kind
To get down on my knees
If she could see me now
A lonely man who's begging please

Someone should tell her how much I love her
Before she goes and runs away with him
If you should see her tell her I need her
Maybe then she'll come back to me

Someone should tell her how much I love her
Before she goes and runs away with him
If you should see her tell her I need her
Maybe then she'll come back to me

Maybe then she'll come back to me
Maybe then she'll come back to me
