Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you

Remember all the good times
We shared in days gone by
Remember all the sadness
The day you said goodbye

Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you

You said that you were leavin'
But you wouldn't be gone too long
With each new day I hope and pray
That you'll come travelin' home

Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you, yeah

I watch the mailman comin'
I listen for the phone
I meet the trains at the station
But I spend my nights alone

And now the waiting is over
And time has set the scene
Yes, God meant me for only you
But He meant you for me

I watch the mailman comin'
I listen for the phone
I meet the trains at the station
But I spend my nights alone

And now the waiting is over
And time has set the scene

Yes, God meant me for only you
But He meant you for me

Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you
For I'll be thinking of you
I'll be thinking of you
