Please lock me away and don't allow the day
Here inside, where I hide with my loneliness
I don't care what they say
I won't stay in a world without love

Birds sing out of tune and rain clouds hide the moon
I'm okay here I'll stay with my loneliness
I don't care what they say
I won't stay in a world without love

So I wait and in a while
I will see my true love smile
She may come I know not when
When she does I know so baby, until then

Please lock me away and don't allow the day
Here inside, where I hide with my loneliness
I don't care what they say
I won't stay in a world without love

So I wait and in a while
I will see my true love smile
She may come I know not when
When she does I know so baby, until then

Please lock me away and don't allow the day
Here inside, where I hide with my loneliness
I don't care what they say
I won't stay in a world without love

I don't care what they say
I won't stay in a world without love
I don't care what they say
I won't stay in a world without love
