[Wiz Khalifa:]

Yeah ah ha

You know what it is

Black and yellow, black and yellow

Black and yellow, black and yellow(2x)

[T-Pain:]

Uh huh, you know what it is

Every whip I do it in, the rims super big

If you want somethin' see the whip transform, 1 button

Seat leaned back, got the yellow inside

On that black camaro, black camaro, black camaro,

black camero

My beat hangin' out, got carmelo on the side

And they black and yellow black and yellow black and

yellow black and yellow

C-catch me in my Lamborghini (black and yellow black and yellow)

I can rock it on the beat (acapella, acapella)

Sideways on the turnin' lane

Fire flame I be burnin mane

Teddy pain bout to hurt the game

Took a break for a while, I been learning thangs

I learned how to tell a nigga "fuck you then"

(Black and yellow black and yellow)

All I do is fuckin win

I told ya and now I'm on

You thought it was over, you thought I was gone

I'm goin' in you don't have to let me have to let me

Back from the dead like I'm Makavelli Makavelli

[T-Pain:]

Uh huh, you know what it is

Every whip I do it in, the rims super big

If you want somethin' see the whip transform, 1 button

Seat leaned back, got the yellow inside

On that black camaro, black camaro, black camaro,

black camero

My beat hangin' out, got carmelo on the side

And they black and yellow black and yellow black and

yellow black and yellow

[Wiz Khalifa:]

Got a call from my jeweler this just in  
Bitches love me cause I'm fucking with there best  
friends  
Not a lesbian but she a freak though  
Come stay for one night I'm shining all week hoe  
I'm sippin cliqout and rocking yellow diamonds  
So many rocks in my watch I can't tell what the time is  
Got a pocket full of big faces  
Throw it up cause every nigga that I'm with tailored

[T-Pain:]

Uh huh, you know what it is  
Every whip I do it in, the rims super big  
If you want somethin' see the whip transform, 1 button  
Seat leaned back, got the yellow inside  
On that black camaro, black camaro, black camaro,  
black camero  
My beat hangin' out, got carmelo on the side  
And they black and yellow black and yellow black and  
yellow black and yellow

[Wiz Khalifa:]

Stay high like how I'm supposed to do  
That crowd underneath them clouds can't get close to  
you  
And my car look unapproachable  
Super clean, but it's super mean  
She wanna fuck with them cats  
Smoke weed count stacks  
Get fly, take trips and that's that  
Real rap, I let her get high if she want she feel  
Convertible drop feel, '87 the top peeled back

Uh huh, you know what it is  
Yea, uh huh, you know what it is  
Ya'll already know what it is man  
And if you don't you should by now  
Black and yellow black and yellow  
Black and yellow black and yellow  
Taylor gang  
Black and yellow black and yellow  
Black and yellow black and yellow

Uh huh you know what it is  
Every thing I do I dot it big  
Screamin' that's nothin'  
When I pull out the lot that's stuntin'  
I rep my town

When you see me you know evrything  
Black and yellow black and yellow  
Black and yellow black and yellow  
I put it down from the whips to my diamonds I'm in,  
Black and yellow black and yellow  
Black and yellow black and yellow
