You niggers ain't nothing, nothing, nothing  
See me undercover fist poppin with your cousin  
Pull up to the club, let you hear the speakers bump  
With the hummie and the hummer got her coming on  
my tongue  
I get seconds to none, drummers steady drumming  
And I don't need keys, I'm just stumping on the button  
Shawty want my love... I'm thinking of the number  
So I told her get in like,... come and take a number  
She looking at my pockets like she getting something  
from me  
And if she thinks she is then this bitch is really dumb  
And I'm a boss, get lost, Rick Ross  
I'm looking for a chick with the ability to get that booty  
jumping  
You see what I got kicking put my meat up in that oven  
And when it's all over, you can get ready for supper  
They say that I'm a porn star, call me T pumper

Nothin', nothin', nothin', Nothin', nothin', nothin',  
... say, Nothin', nothin', nothin', Nothin', nothin', nothin',  
Nothin', nothin', nothin', Nothin', nothin', nothin',  
... hell no, hell no,  
Said her ass so fat, she ain't even try to tuck it  
Got a second there fucking like it's nothin', nothin',  
nothin'

Hey look at this motherfucker rug that I'm cutting  
These bitches... but these chickens steady clucking,  
like it's nothin', nothin', nothin'  
And they don't give a fuck if I'm up in the Maseratti, or  
I'm ducking in the bucket and I love it  
Big chain, teddy p, T-Pain, that's me  
I do my thang, 28's turning lane  
They see me with a couple bad bitches and they know I  
keep it trucking  
Bottle of that drink and I'm feeling kinda lucky  
And if they're playing lanes it's sedusa that I'm tucking  
Cause they know why they came they ain't fucking  
nigger fuck them  
In the... wassup? Damn right you gonna let a nigger cut

... plus a nigger ain't

Nothin', nothin', nothin', Nothin', nothin', nothin',  
... say, Nothin', nothin', nothin', Nothin', nothin', nothin',  
Nothin', nothin', nothin', Nothin', nothin', nothin',  
... hell no, hell no,  
Said her ass so fat, she ain't even try to tuck it  
Got a second there fucking like it's nothin', nothin',  
nothin'
