[Intro]

Ahhhhhh take a sip of this  
Ayyy, lets go  
I want you to feel this beat baby  
I'm not tired, lets go

[T-pain]

Listen (Whassup?)  
This aint the way I wanted it to end  
But I gotta go - gotta get messing  
You aint gotta kick me out, I'll get out my own house  
But you still need to get yo' shit together

[Interlude]

What do I do, what do I say  
Gotta get us back to the way we used to be back in the  
day  
Who do I call to talk to?  
Shorty you aint gotta be scared of me, all we need is  
therapy.

[Chorus]

Like 1-2-3-4 get the hell up out my door  
5-6-7-8 I don't need your sex, I'll masturbate  
9-10-11-12 you can go to hell all I care  
Yeahhh  
Can't do it shorty, can't deal with you babe  
Can't handle the pressure of you - yeah yeah  
Can't do it shorty, can't deal with you babe  
Can't handle the pressure of you - yeah yeah

[Verse 2:T-pain]

Listen (whassup?)  
I know you aint used to us being friends  
But I gotta go, no more kissing  
You aint gotta go away, but I know I can not stay

Cause you still gonna get yo' shit together girl

[Interlude]

What do I do, what do I say  
Gotta get us back to the way we used to be back in the  
day  
Who do I call to talk to  
Shorty you aint gotta be scared of me, all we need is  
therapy

[Chorus]

Like 1-2-3-4 get the hell up out my door  
5-6-7-8 I don't need your sex, I'll masturbate  
9-10-11-12 you can go to hell all I care  
Yeahhhh  
Can't do it shorty, can't deal with you babe  
Can't handle the pressure of you - yeah yeah  
Can't do it shorty, can't deal with you babe  
Can't handle the pressure of you - yeah yeah

[Kanye West]

Ohhhhh, ohhhhh, ohhh you too much pressure doll  
You gonna raise my cholesterol  
I gotta lower the phone decibels  
Just to talk, just a thought  
I'ma get a girl with a ass just as soft  
You swear man dolls like resoviouir and I was Mr.Pink  
Remember those nights on the kitchen sink?  
I was choking ya in a good way, good way  
Now we in the streets and I'm chokin you in a hood way  
When the cops come what could I say?  
You know how all that gossip is  
Next morning Basta Perez  
Any girl I take out, media take her, I need a break now  
Before I break now ( Ah ah ah ah)  
Show me your Janet Jacksons if you nasty  
You said you wanna cut my nuts off like Jesse Jackson,  
classy  
Ohhh, why she say that, OUCH!  
Bitch, give me back my couch  
And that same couch cashed in  
Now listen to T-Pain ass sing

[Chorus]

Like 1-2-3-4 get the hell up out my door  
5-6-7-8 I don't need your sex, I'll masturbate  
9-10-11-12 You can go to hell all I care

Yeahhh

Can't do it shorty, can't deal with you babe  
Can't handle the pressure of you - yeah yeah  
Can't do it shorty, can't deal with you babe  
Can't handle the pressure of you - yeah yeah

[T-Pain]
