(Kandi)

I was in misery without you
I could not imagine life without you
It was such a painful thing to go through
To have you being taken away
But I...I dried my tears
Even though it took a couple of years
I guess I had to just let go of my fears
Of being alone...but it gets

It gets...it gets easier
Without you
I won't feel right...I can't feel right
Without you
But it gets...it gets easier

(Faith)

I thought my life was over without you
Thought I would be oh so sad darling
'Cuz you left me here, to face all my fears
All by myself, with nobody else
Now that you're gone I just gotta move on
But my lovin's never changed
It'll always stay the same
I felt you were wrong
The lonely nights are long
I get weak then I'm strong
It gets easier

It gets...it gets easier
Without you
I won't feel right...I can't feel right
Without you
But it gets...it gets easier

Bridge:

Sometimes it's really hard to just let go (Kandi)
Don't feel like moving on...Oh, yeah, I know (Faith)
Just breathing air is hard to bear,
When the one you love is not there (Kandi & Faith)

Thoughts of you sit heavy on my mind (Faith)
I always reminisce on our good times (Kandi)
I just take it day by day
I know that'll never be easy
But I can say it get easier (Kandi & Faith)

It gets...it gets easier
Without you
I won't feel right...I can't feel right
Without you
But it gets...it gets easier
