All the thoughts in my head all the wind in my hair
They're good memories, yes we had great times
And my soul's got two sides, sometimes dark mostly
bright
Talk about it will make me feel alright

(Chorus)

That is why I'm dreaming after all these tears
Dream and let my sunshine wash away your fears
That is why I'm dreaming our love never ends
You're my sunny morning I need not pretend

Well you say you love me, so it can be alright
You say you want me for another night
All those tunes that we play help us stay alive
I won't pass you by on a rainy night

(Chorus)

That is why I'm dreaming after all these tears
Dream and let my sunshine wash away your fears
That is why I'm dreaming our love never ends
You're my sunny morning I need not pretend
