I can't stop thinking 'bout you baby-babe  
Sometimes I think I'm really goin' crazy  
'cause whenever I see you it's amazing

My heart start beatin' and racin'  
What can I say to you?  
Do you feel the same way too?

I'd do anything for you  
To make you see that my love is so true

So true...

(Chorus)

Well, well, well

I Tattoo-Tattoo you  
In my heart and my mind and my soul now

I Tattoo-Tattoo you  
'cause nothing can compare to you

I Tattoo-Tattoo you  
Just to prove that I'll always love you

I Tattoo-Tattoo you  
'cause nothing can compare to you

You're the kind of man I always dream about  
It makes me wanna scream and shout out really loud  
When you talk I hang on every word you say

When you move you're like the breeze an a summer  
day  
You're irresistible, and just so incredible  
You're irreplaceable, I'll make you see that my love is  
so true

So true...

(Chorus)

I can't go on without you by my side  
I'm not that strong, I need you in my life  
Don't leave me in the cold, I can't take it anymore,  
anymore

(Chorus)
