Have I told you lately, Baby, what you mean to me  
You're the only one, the one to set me free

Do you know that I've been waiting, waiting far too long  
All the love that I need, I know it can't be wrong

To hold you - feel you - never get enough  
When you and me are making love

(Chorus)

In the night, in the night, in the night  
You put my heart in motion

In the night, in the night, in the night  
Your love is like an ocean... so wide

Do you know that I'm so crazy, crazy for your touch  
When you hold me close, to me that means so much

You and I belong together, until the end of time  
You can have it all, just say that you'll be mine

To hold you - feel you - never get enough  
When you and me are making love

(Chorus)

Sweet, sweet love - sweet love, sweet love  
To hold you-feel you-never get enough  
When you and me are making love

(Chorus)
