It it sad to be parted from those that we love,  
Strange faces we see every day,  
Each heart string of mine is broken inside,  
When I think of those dear ones and home.

Goodbye dear old stepstone, goodbye to my home,  
God bless those I leave with a sigh;  
I'll cherish fond memories when I'm far away,  
To roam o'er this wide world alone.

And so I stood on my doorstep one evening and  
mourned,  
And the wind whispered by with a howl;  
Fields may be whitening, but I will be gone,  
To roam o'er this wide world alone.

Goodbye dear old stepstone, goodbye to my home,  
God bless those I leave with a sigh, Oh!  
I cherish fond memories when I'm far away,  
To roam o'er this wide world alone.

And so I stood by my school when that school time was  
over,  
And I wished for the time to go by,  
And now it has passed and I stand here tonight,  
To bid this old stepstone goodbye.

Goodbye dear old stepstone, goodbye to my home,  
God bless those I leave with a sigh, Oh!  
And I will cherish fond memories when I'm far away,  
To roam o'er this wide world alone.
