I'm shaking and making and talking to the sky  
I shiver in the night that I can't see  
You're as dark as the mascara that you slap on your  
eyes  
Look what you've done to me

You're as dark as the ocean  
As cold as the rain  
You've got me weak with emotion  
You're such a beautiful pain  
Such beautiful pain

So I shelter in the wardrobe  
And shiver on the stairs  
And I slide down in the gutter with ease  
I tried to talk to God as if he really is there  
Look what you've done to me

You're as dark as the ocean  
As cold as the rain  
You've got me weak with emotion  
You're such a beautiful pain  
Such beautiful pain

And I cling to my pillow  
And scratch at my veins  
You kiss like a killer  
Such a beautiful pain  
Such a beautiful pain  
Beautiful pain

You're as dark as the ocean  
As hard as the rain  
You've got me weak with emotion  
You're such a beautiful pain  
Such beautiful pain

And I cling to my pillow  
And scratch out my veins  
You kiss like a killer  
Such a beautiful pain
