I can't stop thinking 'bout you baby-babe
Sometimes I think I'm really goin' crazy
'cause whenever I see you it's amazing

My heart start beatin' and racin'
What can I say to you?
Do you feel the same way too?

I'd do anything for you
To make you see that my love is so true

So true...

(Chorus)

Well, well, well

I Tattoo-Tattoo you
In my heart and my mind and my soul now

I Tattoo-Tattoo you
'cause nothing can compare to you

I Tattoo-Tattoo you
Just to prove that I'll always love you

I Tattoo-Tattoo you
'cause nothing can compare to you

You're the kind of man I always dream about
It makes me wanna scream and shout out really loud
When you talk I hang on every word you say

When you move you're like the breeze an a summer
day
You're irresistible, and just so incredible
You're irreplaceable, I'll make you see that my love is
so true

So true...

(Chorus)

I can't go on without you by my side
I'm not that strong, I need you in my life
Don't leave me in the cold, I can't take it anymore,
anymore

(Chorus)
