[O.G. Spanish Fly]

Woke up, jumped out my bed

The party's down the street with some freaks of the week
The microphone is open for discussion let me speak
Pullin into the parking lot a friendly type of kill
The homies pitchin in now what you wanna do
A twenty pack of bud a case of thirty twos
A bottle of bacardi and a case to smooth

The jam is Spanish Fly, he's opinion cause I'm strapped
Chillin wit the homies cause the homies always got my

Do Wa Diddy in a bitches titty then I'm out
I got the shit that makes the bitches wanna scream and
shout

O.G. Spanish Fly getting high THC
You never heard my shit before
Just bob your head and listen
Now Maniac from Diego town just mobbin on a mision
Rollin hella deep better watch as we creep
You'll catch Low Pro at the Wharehouse or the
Swaptmeet
Bump it in your car as you role down the boulavard
Watch the cops try to trip and catch me
Fuck that it's hella hard, you know
Forever busted, empty my clip for every gun
And everybody and their momma's runnin
So don't even trip Ese
That's how we do it on the streets
I play to win and I'll say it again
Now pour another cup of gin
Mix it wit some juice
What the fuck you pullin out on me a duece duece
