I feel it eating at me  
While you still drown me  
And cross the line over and over again  
It's all around me  
Now I'm here cause of you

Now I'm falling  
I'm falling out cause of you  
Now I'm falling  
Deeper into you

Tired of hating myself  
I can't let me cross the line for her  
I'm not me when I dream  
There's someone else in me  
That I fear cause of you

Now I'm falling  
I'm falling out cause of you  
Now I'm falling  
Deeper into you

I'm not me when I dream  
I'm not me when I dream, anymore  
Because of you

Now I'm falling  
I'm falling out cause of you  
Now I'm falling  
I'm falling out cause of you  
Now I'm falling  
I'm falling out cause of you  
Now I'm falling  
Deeper into you
