I feel I'm falling behind
The same way again
Still tracing this same line
But looking for the end

I'm fading
Gone away
I almost feel erased
Fading
Gone away
And now I feel erased

I'm still alone tonight
Somewhere I can't see
I'm looking for the light
By looking into me

I'm fading
Gone away
I almost feel erased
Fading
Gone away
And now I feel
Erased

Erased

Today
I feel

Fading
Gone away
I almost feel erased
Fading
Gone away
And now I feel
Erased
Erased
Erased
Erased
Erased

Erased
Erased
Now I feel
Erased
