So it's over now, finally.
I'm beneath
I'm crawling out
On my knees.

I can hear what you said
Echoing in my head.
And I'm losing... myself.
Now I'm cold on the floor
I don't care anymore.
Cuz it's over... it's over

-PreChorus-
(I can feel. I can feel)
(Like it's real. Like it's real)
(I can feel. I can feel)

-Chorus-
Now I can finally feel.
So I guess it's over now.
And you broke me down somehow.
Now I'm faltering.
I can see - I can be
I can leave and shut you out.

(I can feel. I can feel)
(Like it's real. Like it's real)
(I can feel. I can feel)
(Like it's real. Like it's real)

So I'm leaving now- somehow.
Underneath
As I slowly drown- finally

I can here what you said
Echoing in my head.
And I'm losing... myself

-PreChorus-
-Chorus-

(I can feel. I can feel)
(Like it's real. Like it's real)

I'm shaking deep inside.
I'm having trouble breathing.
I need somewhere to hide
Away cuz I am heaving.
I'm having trouble breathing.
Tomorrow I am healing

So I guess it's over now.
And you broke me down somehow.
Now I'm faltering.
I can see - I can be
I can leave and shut you out.

(I can feel. I can feel)
(Like it's real. Like it's real)
(I can feel. I can feel)
(Like it's real. Like it's real)
