You take me down, further inside of me  
Now I'm fading out, I can barely see  
I hover

To see you leave again, it's over  
And it kills me to watch you descend, to the end

Can't think straight  
Shutting me out - closing me out  
Are you trying - hurting  
Taking me out - leaving me out  
Keeps me struggeling  
You're leaving

You take me down, further inside of me  
Now I'm fading out, I can barely see  
I hover

to see you caving in i'm undone  
And to say it's the last time again  
It's the end

Can't think straight  
Shutting me out - closing me out  
Are you trying - hurting  
Taking me out - leaving me out  
Keeps me struggeling  
I'm leaving

You take me down, further inside of me  
Now I'm fading out, I can barely see  
I hover

I'm watching you descend  
I'm hovering instead  
I'm watching you descend  
I'm hovering instead

You take me down, further inside  
Now I can see through you

You take me down, further inside of me  
Now I'm fading out, I can barely see  
I hover  
I hover  
I hover  
I hover ? again
