It always feels like the craving  
Is unfolding in me  
It's just as bad as it seems  
So I'm looking around  
'Cause I'm lost when I'm down  
I was blind but now I'm starting to see

The slave in me  
And now I'm falling again  
I'm so close to the end  
I can see the slave in me  
And now I'm falling again  
Don't know where to begin  
Can you see the slave in me

It always feels like I'm shifting  
And moving the line  
But I'm still falling behind  
Now it won't go away  
And the feelings will stay  
I can see I'm starting now to believe

The slave in me  
And now I'm falling again  
I'm so close to the end  
I can see the slave in me  
And now I'm falling again  
Don't know where to begin  
Can you see the slave in me

I can't take  
One more day  
I can't stand  
To feel this way  
Take away from me  
Take away from me

The slave in me  
And now I'm falling again  
I'm so close to the end  
I can see the slave in me

And now I'm falling again  
Don't know where to begin  
Can you see  
Can you see  
Falling again  
Falling again  
Can you see the slave in me  
Falling again  
Falling again  
Can you see  
Can you see  
The slave in me
