You said hold on
But I feel like I'm slipping away
You said hold on
But it feels like I'm slipping away

I won't let you down
The words you said to me
It's echoing the sound
Of what would never be

I'm standing here alone
The memories remain
The same familiar home
But nothing looks the same
And I'm standing here alone
Can't tell if I'm awake
Reality is gone
In a dream I will escape

You said hold on
But I feel like I'm slipping away
You said hold on
But it feels like I'm slipping away

I'm getting through it now
I guess it's plain to see
That everything I am
Is not everything you need

And I'm standing here alone
Can't tell if I'm awake
Reality is gone
In a dream I will escape

You said hold on
But I feel like I'm slipping away
You said hold on
But it feels like I'm slipping away

And I'm standing here alone
Can't tell if I'm awake

And it feels like i'm slipping away

Reality is gone
In a dream I will escape
And it feels like i'm slipping away
