Can you save me
Will you fail me now
It's almost over
cause you've faded out again
Will you break me
When you're holding me down
I will escape you and I'll

I'll push you closer to the ground
Cause you're the one that's going down

And I am
Stronger now
Since you crawled away
You're so far away
And I am (I am)
Stronger now (Stronger now)
Since you crawled away
Since you crawled away

Never gonna save me
You just shut me out
And now now it's over
Cause I'm stepping out again
Never gonna break me
Just try and hold me down
I will escape you and I'll

I'll push you closer to the ground
Cause you're the one that's going down

And I am
Stronger now
Since you crawled away
You're so far away
And I am (I am)
Stronger now (Stronger now)
Since you crawled away
Since you crawled away

You wanna tear me down

You wanna hold me down
You can't control me now
You cannot take me out
You cannot save me now
Because I'm stronger now

Cause I am (I am)
Stronger now (Stronger now)
Since you crawled away
You're so far away
And I am (I am)
Stronger now (Stronger now)
Since you crawled away
Since you crawled away

I am (I am)
Stronger now (Stronger now)
Since you crawled away
You're so far away
And I am (I am)
Stronger now (Stronger now)
Since you crawled away
Since you crawled away

You wanna tear me down
You wanna hold me down
You can't control me now
You cannot take me out
You cannot save me now
Because I'm stronger now
