Looking up from underneath  
As low as we are  
Nothing looks the same to me  
Am I deceived  
I stand and watch myself from somewhere else  
Something I don't want to see

Take it all  
So I'm left with nothing at all  
Have it all  
As I'm learning how to fall  
Yes, I'm learning how to fall

Standing up from underneath  
As low as we are  
Things aren't what they used to be  
Was I deceived  
I stand and watch myself like someone else  
Something I don't want to see

Take it all  
So I'm left with nothing at all  
Have it all  
As I'm learning how to fall  
Yes, I'm learning how to fall

Why don't you fall, fall

Take it all  
So I'm left with nothing at all  
Have it all  
As I'm learning how to fall

I can't trust what I see  
I can't tell if its me  
It is changing

Take it all  
Cause I'm learning how to fall  
Yes, I'm learning how to fall
