(I feel it)

Suffocating from the last time before
But I can't see his face
(I can feel it surround me now, I feel it)
(I can feel it surround me now, I feel it)
Reaching forward as I rise off the floor
'Cause I'm lost in this place
(I can feel it surround me now, I feel it)
(I can feel it surround)

I can feel it surround me
It's breaking the skin
I'm letting it in now
I can feel it surround me
It's all that I see
The reflection is me

Falling faster than the first time before
As I look at you now
(I can feel it surround me now, I feel it)
(I can feel it surround me now, I feel it)
Losing focus on my way out the door
'Cause I can't make you out
(I can feel it surround me now, I feel it)
(I can feel it surround)

I can feel it surround me
It's breaking the skin
I'm letting it in now
(I can feel it surround me now)
I can feel it surround me
It's all that I see
The reflection is me

It's always right here
It follows me still
The faceless looking back at me
The darkest of views
Come focusing through
To see looking back at me

Looking at me
Looking at me

I can feel it surround me
It's breaking th skin
I'm letting it in now
(I can feel it surround me now)
I can feel it surround me
It's all that I see
The reflection is me
