Another day  
Some other way  
I fall along the wayside  
Drifting away  
And what I need's  
Inside of me  
I'll find a way to say  
And push it all away  
I'm holding on to anything  
I'm floating here in space  
I'm reaching out for anyone  
To save me from this place  
I can't remember anything  
I'm lost without a trace  
Again  
Again

So far away  
Into the gray  
I'm trying to remember  
And find the words to say  
Another day  
Some other way  
I fall along the wayside  
Drifting away  
I'm holding to anything  
I'm floating here in space  
I'm reaching out for anyone  
To save me from this place  
I can't remember anything  
I'm lost without a trace  
Again  
Again  
I'm waiting here for anyone  
I'm floating here in space  
I'm reaching out for anyone  
To save me from this place  
I can't remember anything  
I'm lost without a trace  
Again  
Again

Lost without a trace again  
Lost without a trace again  
Lost without a trace again
