I don't feel a thing
And I stopped remembering
The days are just like moments turned to hours
Mother used to say
If you want you'll find a way
Bet mother never danced through fire shower
Walk in the rain, in the rain, in the rain
I walk in the rain, in the rain
Is it right or is it wrong
and is it here that I belong
I don't hear a sound
Silent faces in the ground
the quiet screams, but I refused to listen
If there is a hell
I'm sure this is how it smells
I wish this were a dream, but no, it isn't
Walk in the rain, in the rain, in the rain
I walk in the rain, in the rain
Is it right or is it wrong
and is it here that I belong
Walk in the rain, in the rain, in the rain

I walk in the rain, in the rain

Why do I feel so alone

for some reason I think I'm home
