To ksero pos den prepri etsi na s'agapo  
to ksero pos mou kani apistefto kako  
Mono kako  
Oso pao vythizome ke pio poly sto skotadi  
Eho paresthis, liono ap'ton pyreto  
S'eho anagi, hanome

Apo agapi ypervoliki  
Tha pethano  
De boro makria sou oute stigmati  
Ti na kano  
Arrostia mou, arrostia mou  
Gyrna piso  
De ginete, de ginete  
Na se misiso

Toso kero kratime, den sou telefono  
Me nyhia ke me dontia mesa mou polemo  
Se polemo  
I anagi omos na se ksanado olo ke fountoni  
Me treleni, me kani ke paramilo, me telioni, hanome

Apo agapi ypervoliki  
Tha pethano  
De boro makria sou oute stigmati  
Ti na kano  
Arrostia mou, arrostia mou  
Gyrna piso  
De ginete, de ginete  
Na se misiso
