TRANSLATION:

It's twelve o'clock and you have not called

You haven't dialed my number of loneliness  
And the distance between us grows larger  
It's twelve o'clock and you have not called  
In my unbearable mind's emptiness  
You seem like a dream going away

And the phone doesn't ring  
I burst into tears  
You have never realised what I'm going through  
and my agony grows like a mountain  
It's twelve o'clock and all my hopes are standing  
just on a dead phone  
and my heart is shouting I love you

It's twelve o'clock and you have not called  
You haven't dialed my number of loneliness  
It's twelve o'clock and yet no call  
I can't stand anymore this agony  
and I want to tell you that's all over now

But the phone doesn't ring  
I burst into tears  
You have never realised what I'm going through  
and my agony grows like a mountain  
It's twelve o'clock and all my hopes are standing  
just on a dead phone  
and my heart is shouting I love you
