Se allo esy kai s'allo ego
kathomaste trapezi...
Kati paraksena paixnidia
i moira pou mas paizei!

Kai einai adiko poly,
kai gia tous dyo,
mia tetoia agapi dynati,
mia tetoia agapi dynati,
na svisei mes sto kryo!

Ekatommiria fores ki an prospathiseis
ayto pou zisame den tha to ksanaziseis
Ekatommiria fores ki an prospathiseis
opos m'agapises den tha ksanagpiseis
Ekatommiria...

Allou esy ki allou ego
ki i nyxta proxoraei
Kati sto olo skiniko
apopse den kollaei!

I ora exei paei treis
Skyvei kai se filaei!
Kati ponaei sa maxairia...
Kati ponaei sa maxairia,
Ki i nyxta stamataei!
