No I didn't anticipate this
no it wasn't supposed to end like this
but something inside
holds on so deep so tight
have to decide
to give up this fight.

CHORUS:

But I can feel you all around me
sounds of love still resounding
and I'm praying to you
forgive me this
I look to heaven and
fall down on my knees
look at my hands up
hope you will believe and
I'm praying to you forgive me this.

You, well you never thought
it's gonna happen to you.
Youth is dangerous
when the heat of passions rules
and if I could, well I would
have done it right
I toss and turn
when I think of what
you might have looked like

CHORUS:

But I can feel you all around me
sounds of love still resounding
and I'm praying to you
forgive me this
I look to heaven and
fall down on my knees
look at my hands up
hope you will believe and
I'm praying to you forgive me this.

In my dreams I see you safe
safe from harm.
In these fields if heaven you're free

free to run oh oh oh

CHORUS:

But I can feel you all around me
sounds of love still resounding
and I'm praying to you
forgive me this
I look to heaven and
fall down on my knees
look at my hands up
hope you will believe and
I'm praying to you forgive me this.

I can see you
I can hold you
I can feel you
I can touch you

and I'm praying to you forgive me this
