I dont know but there's a warning
in the air that i should run
I dont know but something stops me
something is keeping me behind

And I m walking straight in your eyes
I m looking straight in your eyes
and I m asking you straight in your face

Tell me is it safe?(3x)
To give my heart to put my trust
to fall for someone like you

From the moment that you walked in
I cant take my eyes of you
I dont care I ve got to find out
what's the magic that you do

And I m walking straight in your eyes
I m looking straight in your eyes
and I m asking you straight in your face

Tell me is it safe?(3x)
To give my heart to put my trust
to fall for someone IÃ ke you
