methisan ta matia mou kai pali esena vlepoun  
apo mprosta mou na pernas  
methisan ta aftia mou kai nomizoun pos sakoune  
na mou les pos magapas

methismeni mou kardia  
allou sou leo ki allou me pas  
ki olo se vrizo  
methismeni mou kardia  
pali sto dromo tou ohtaria  
zografizo  
methismeni mou kardia  
esi pou ksereis oti klaio  
ki otan gelao  
methismeni moy kardia  
pote tha papseis na htipas  
na min ponao  
methismeni mou kardia

nihtose sta matia mou  
kai vgeno sto seriani  
monahi mes ston ourano  
pali feggarovoltes gia senane tha kovo  
mipos tihei kai se do
