Oli i dromi pali m' odigoun ekei  
ston topo tou egklimatos  
ston topo tou egklimatos nixtiatika  
m' ena fako sto xeri  
kati psaxno gia na vro

Sti nea fileldelfia  
kapou sti dekeleias  
ekei moro mou epesa  
thima enoplis listeias  
sti nea fileldelfia  
ekei pou akoma meneis  
kapote mou 'pes s' agapo  
ke tora de me ksereis  
sti nea fileldelfia  
eklepses tin kardia mou  
ke san tsantaki adeiano  
tin petakses dixos ta oneira mou

Kitrino feggari savvatatika  
san ta pedia me ta kaskol  
san ta pedia me ta kaskol  
pou vrizoune  
mazi ki ego stous dromous  
dixos logo perpato
