Don't make me cry
Please don't say goodbye
Let's both pretend everything's alright
Give me your lips, baby hold me tight
Say you will stay, always by my side
Don't say you have to go, I don't wanna know

I wanna love you like there's no tomorrow
Let's make this night last the whole life ahead
I wanna love you like there's no tomorrow
Ela moro mou kai pes sagapo

Set your heart free, love has no regrets
Ride every moment as far as it gets
Give me your lips, baby hold me tight
Say you will stay, always by my side
Don't say you have to go, I don't wanna know

I wanna love you like there's no tomorrow
Let's make this night last the whole life ahead
I wanna love you like there's no tomorrow
Ela moro mou kai pes sagapo

The end of the world
