Ev'ry night I'm there

I'm always there
she knows I'm there.
And heaven knows
I hope she goes.
I find it hard to realize that love was in her eyes

It's dying now - she knows I'm crying now.
And ev'ry night I'm there
I break my heart to please
Eloise
Eloise.
You know I'm on my knees - yeah !
I said please.
You're all I want so hear my prayer.

My Eloise is like the stars that please the night

The sun that makes the day; that lights the way.
And when that star goes by
I'll hold it in my hands and cry

Her love is mine
my sun will shine
And ev'ry night I'm there. I break my heart to please
Eloise
Eloise.
You know I'm on my knees - yeah!
I said please.
You're all I want
to hear my prayer:

My Eloise - I'd love to please her

I'd love to care but she's not there.
And when I find you
I'd be so kind

You'd want to stay
I know you'd stay.

And as the days grow old
the nights grow cold.
I wanna hold her near to me
I know she's dear to me.
And only time can tell and take away this lonely hell.
I'm on my knees to Eloise.
And ev'ry night I'm there I break my heart to please
Eloise
Eloise.
You know I'm on my knees - yeah !
I said please.
You're all I want so hear my p rayer.
You know I'm on my knees
I said please.
You're all I want so hear my prayer.
