I heard you say that no one seems to care 'bout you  
It's in your eyes, you think that life's unfair to you  
Just give it all you got, my friend  
Just give it all you got, it's not the end

Cause you oughta know  
There's a reason for these changin' seasons  
God only knows how much your heart can bare  
So don't you let go  
Everybody has their up and down times  
Everybody needs to know how much they're loved  
My friend  
So hold on, it's not the end

As I remember everything you touch  
Would turn to gold  
You have the secrets  
To make your grandest dreams unfold  
You are the very best of them all  
But the sun that rises still falls

Cause you oughta know  
There's a reason for these changin' seasons  
God only knows how much your heart can bare  
So don't you let go  
Everybody has their up and down times  
Everybody needs to know how much they're loved  
My friend  
So hold on, it's not the end

It's just a love song  
'Cause everybody needs a friend  
I'll be right here for you  
It's just a simple prayer  
It's from the bottom of my heart  
That He'll never let you go

'Cause you oughta know  
There's a reason for these changin' seasons  
God only knows how much your heart can bear  
So don't you let go

Everybody has their up and down times  
Everybody needs to know how much they're loved  
My friend  
So hold on, it's not the end
